**TalentSphere** is pleased to announce it placed No. 354 on the 2023 Report on Business ranking of Canada's Top Growing Companies. This is two years running!

Canada's Top Growing Companies ranks Canadian companies on three-year revenue growth.

"Achieving our 5<sup>th</sup> win in this and similar awards demonstrates our employees' passion and success in the industry," said Managing Director Peter Humphrey. "I am grateful to work with exceptional colleagues who share my vision."

Canada's Top Growing Companies is an editorial ranking that was launched in 2019. It aims to bring the accomplishments of innovative businesses in Canada to the forefront. To qualify for this voluntary program, companies had to complete an in-depth application process and fulfill requirements. In total, 425 companies earned a spot on this year's ranking.

The full list of 2023 winners, along with editorial coverage, is published in the October issue of Report on Business magazine. The list is out now and online [here](#).

"Canada's Top Growing Companies acknowledges the drive and ingenuity displayed by Canadian business," says Dawn Calleja, Editor of Report on Business magazine. "This year's ranking serves as an inspiration for future business owners."

"This year's Report on Business magazine's list of Top Growing Companies shows how innovative ideas always rise to the top, perhaps even more so in times of uncertainty," says Andrew Saunders, CEO of The Globe and Mail.
